Patient Eligibility Screening Record

Vaccines for Children Program

Provider: Southern Pediatric Clinic

A record must be kept in the healthcare provider's office that reflects the status of all children 18 years of age or younger, who receive immunizations with vaccines supplied by state programs. The record my be completed by the parent, guardian or individual of record, or by the healthcare provider. The same record may be used for all subsequent visits s long as the child's eligibility status has not changed. **While verification of responses is not required, it is necessary to retain this or a similar record for each child receiving vaccine(s).**

NOTE: IF you do not have health insurance or if your insurance carrier does not cover vaccines, you can receive a vaccine provided by the Vaccines for Children Program. A fee of $21.93 per shot will be charged at the time of service. Only children 18 years and younger are eligible for this program.
